17th March 1922.

My dear Raja Sahib,

I sent you a telegram in reply to your letter of March 10, as follows :-

"Thanks for letter of 10th. Patiala House will be preferable. Should His Highness wire to Maharaja for it or would you arrange yourself first ? His Highness could thank him afterwards. Kindly advise."

His Highness says that he really cannot persuade himself to be such a burden on you. You will, he fully hopes, consent to let him pay for everything supplied to him. I can understand and fully appreciate your feeling, But I know you will agree to meet His Highness's wishes in this matter.

His Highness told me a few days ago that he had received your kind letter; and had asked me to acknowledge it on his behalf, and to tell you that he would be writing to you in a few days. himself.

His Highness is writing to Lord Reading, informing him of his visit to Simla.

With warmest regards,

Yours ever,

Sd/ M.I.

P.S.

The appointment is almost an accomplished fact, you will be sorry to hear. There seems no escape from it !
